IN 2021...

FUNDING

Every year, the government gives us \$196,534 in funding. This allows us to serve 122 people, however, in 2021 we supported 219 people.

IMPACT

Because of your donations this year, we are able to support 10 additional people with 135 visits in Dufferin County, Orangeville, Shelburne, Mono, Grand Valley, Mulmur...but every day we have more referrals so our need continues to grow.

YEARS

Hospice Dufferin was registered in 1988. The delivery of our programs and services is made possible through the support of a small dedicated staff, many volunteers, and generous donors. In 2023, we celebrate 35 years.

VISION

Peace, comfort, and dignity for all people affected by life-limiting illness, the bereaved and caregivers.

Who we are and what we do

Hospice Dufferin is a charitable organization. We offer programs from diagnosis to end of life for the clients and their families.

We offer support programs for caregivers from illness to bereavement.

Our goal is to help our clients and their families to live life fully despite their diagnoses. Our services address the domains of care developed by the Canadian Hospice Palliative Care Association.
